Dear Sir,

I would like to place on record my appreciation for the sessions taken by you on the 21st of January 2014 at Baripada for the forest officers of the Similipal Tiger Reserve in the training programme organized by WWF-India and TRAFFIC-India.

Both the sessions entitled – “**Intelligence Collection & Collation for Combating Wildlife Crimes**” & “**Search & Seizure Improving Skills in Field Combat**” were extremely insightful and beneficial for all the officers present there. It displayed that you had a deep knowledge of the subject and your presentation style made it an even better and complete learning experience for the participants.

I wish you all the best in all your future endeavors in the noble field of wildlife protection and environmental conservation.

Yours Faithfully,

anup kumar nayak
