Dear Sir, Please mail me your complete postal address, I will send the letter by post.
Regards, Vaibhav.

Its informal to say something after giving regards, but I have to tell you something.

I want to tell you that I have kept a call sign for you. Its S.T.A.R.

It means, Special Tactics & Rescue. You Know why I have named You with the call sign..

Because you are putting all your best efforts into cyber security and since you can understand these complexities, you can be there for rescue for all those people who need you. You are amongst those people who are not only the best of Police officers, but also you belong to a special breed of investigators who can secure the future.

I salute you.

JAI HIND.
