

Senior citizens attend cyber security workshop

INDORE | The 61st cyber security workshop for senior citizens under 'Sahyog' campaign of the 'Black Ribbon Initiative' was organized for members of Malwa Varishth Nagrik Manch, Indore, on Monday. IG Vipin Maheshwari, Director of Police Radio Training School, Indore gave valuable insights and tips of cyber security to the audience. Maheshwari informed in detail about cyber crimes and ways to prevent them using modern technology. He also shed light on the various laws to curb cyber offences. The participants were apprised with the safety measures useful in averting banking fraud, ATM fraud, etc. Tips to make social networking a secure activity were also given by Maheshwari. Maheshwari kept the session interactive and answered several queries of the senior citizens. Many prominent personalities attended the workshop which was lauded by one and all. Maheshwari was also awarded a certificate of appreciation by the Manch.
