The 128th workshop on cyber security under 'Black Ribbon Initiative,' conceptualised by Police Radio Training School Director IG Varun Kapoor, was held at Pujya Sindhi Mahapanchayat Evam Swami Pritamdas Govindaram Parmarthik Sansthan. About 150 members took part in the workshop.

IG Kapoor explained all the aspects of cyber security and how to use technology for the benefit rather than making mistakes. He interacted with participants directly and answered their questions.

The second session was addressed by Sudeep Goyenka, (SP) Police Radio Training School and gave tips to protect passwords and other personal details safe in cyber
