To,

Mr. Varun Kapoor
IGP (Director)
PRTS Indore

Dear Sir,

I would like to take this opportunity to Congratulate you for your great initiative, which you have undertaken to train the law enforcement agencies to investigate and analyse the growing menace of Cyber Crime.

It is the need of the hour and your initiative is really applaudable. I myself attached to the same domain of training and assisting law enforcement agencies in Uttar Pradesh, Haryana, Delhi , some parts of Gujrat and also my attachment to CDTs Chandigarh have realised that how important it is to train the law enforcement agencies to handle the rising digital threats.

The kind of syllabus you have adopted is really great as it not only covers the DOMAIN of Cyber Threats and Cyber Crime but also to investigate Traditional Crimes using the knowledge of Cyber Forensics.

Would again like to congratulate and offer my services when ever required to this wonderful effort.

Best Regards,

Rakshit Tandon
