Dear Sir,

I would like to place on record my appreciation for the sessions taken by you on 12 th & 13 th September, 2015 at Nagzira for the forest officers of the Nawegaon Nagzira Tiger Reserve in the training programme organized by WWF-India and TRAFFIC-India.

Both the sessions entitled "**Intelligence Collection & Collation for Combating Wildlife Crime**" & "**Search & Seizure Improving Skills in Field Combat**" were extremely insightful and beneficial for all the officers present there. It displayed that you had a deep knowledge of the subject and your presentations style made it an even better and complete learning experience for the participants. It would certainly go a long way in our understanding of these important aspects of protections of wildlife and forest resource.

I wish you all the best in all your future endeavors in the noble field of wildlife protection and environmental conservaton.

Yours Faithfully,

(Dr. J. S. Ramgaonkar)
