Sir,

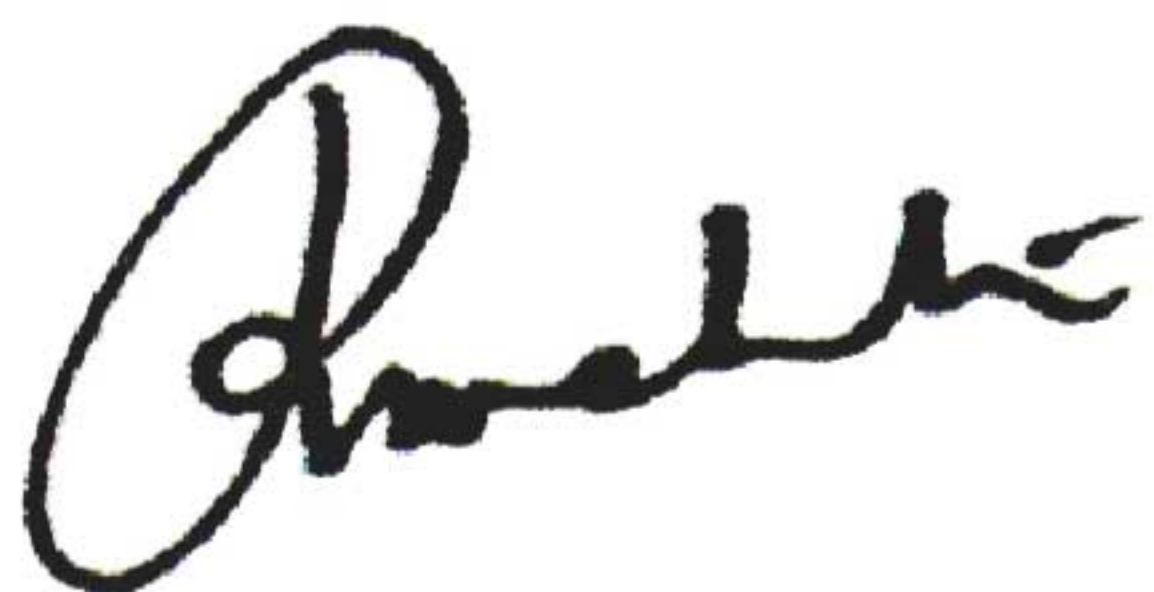

The enormous effort and work that you have done for the benefit of our country is overwhelming and appreciable. I congratulate you on your endeavor to train so many officers in the much-needed area of cyber law and cyber investigation in such a short period of time. Considering the fact, that you took upon yourself to initiate such a big step makes the achievement more worthwhile and commendable.

We provide several kinds of trainings and assistance regarding IT and Cyber Security. We also conduct guest lectures, name seminars and any kind of workshop or training program for working officials as we are a renowned in the IT Security circuit.

We wish to extend our hands towards the noble cause that you have initiated on your own. Please feel free to contact us for any kind of assistance, corporation from our end in any which way. We would be honored to be associated with such a good cause.

Kyrion Digital Securities wishes you good luck for your efforts and endeavor.

Thanks & Regards,
