

# Cyber crime seminar held at BM College

Indore: BM College organised a seminar on Cyber Awareness in which the IG Varun Kapoor, Director, Police Radio Training School said, "we are living in two kinds of world, one is real and the other is virtual. Student life is our real world in which we can meet our friends and well wishers and share our pleasure and sorrow but the world available on social sight is imaginary in which we can see neither anybody nor share our life. Then he explained the students how they could be a part of the cyber crime unknowingly, either as a victim of a perpetrator, and how they can protect themselves.

SP Sudeep Goyanka informed about the working of police in cyber crimes by stating some examples.

Dr Vijaylaxmi Iyengar, Director, BMCMR in welcome speech made students alert about being careful while using social networking sites, she said that in future college will take some initiative to collaborate with PRTS to further train the students.

The vote of thanks was given by Dr. Vimukta Sharma Director, BMCPEP. SN Sharma, Chairman BM Group of Colleges, Rakesh Sharma, Secretary BM Group of Colleges, Dr Neetu Trivedi, Director BMCT & Dr Shailesh Tripathi gave their warm presence at the occasion.
