The school has emerged a leader in training on cyber crimes in the country and so far officers of 22 state police, six paramilitary forces, Indian Army and forest department officials have trained here.

IG Kapoor said that as the technology advances the challenges relating to cyber crimes also increase and therefore constant training is a must now.

IG Kapoor presented Smita Bhardwaj with memento at the end of the programme. The programme was conducted by SP Sudeep Goenika and DSP Ahriwar proposed vote of thanks.
